

# WATTSMART® NEW CONSTRUCTION Manufacturing

WATTSMART®

ROCKY MOUNTAIN  
POWER  
POWERING YOUR GREATNESS

## BUILD SMARTER. EARN INCENTIVES. LOWER ENERGY COSTS.

### About Wattsmart®

The Wattsmart New Construction & Major Renovations program helps manufacturing facility construction projects earn financial incentives for incorporating energy-efficient building systems and design strategies. This can help lower long-term operating costs, improve building performance and ensure occupant comfort.

### AT A GLANCE — AVERAGE SAVINGS & INCENTIVE

|                             |             |
|-----------------------------|-------------|
| Annual Energy Savings:      | 574,897 kWh |
| Annual Energy Cost Savings: | \$26,882    |
| Wattsmart Incentive:        | \$57,911    |

### Energy-saving improvement recommendations

- ✓ Evaporative coolers
- ✓ Energy-efficient lighting systems
- ✓ High-efficiency HVAC systems and equipment

### Maximize your incentive

The earlier your project team engages with the program, the greater the opportunity to identify energy-saving measures and earn available incentives.

Program participation can begin as early as schematic design and up to 6 months after receiving a Certificate of Occupancy.

### Real customer feedback

What has participating in the program meant to you and your business?

“That RMP values efficient design and building, and supports and enables us to design and build in a way that is better for the community and the environment.”

- Amanda Dillon, Developer at Giv Development
