

WATTSMART® NEW CONSTRUCTION Retail & Dining

WATTSMART®

ROCKY MOUNTAIN
POWER.
POWERING YOUR GREATNESS

BUILD SMARTER. EARN INCENTIVES. LOWER ENERGY COSTS.

About Wattsmart®

The Wattsmart New Construction & Major Renovations program helps retail and dining construction projects earn financial incentives for incorporating energy-efficient building systems and design strategies. This can help lower long-term operating costs, improve building performance and ensure occupant comfort.

AT A GLANCE — AVERAGE SAVINGS & INCENTIVE

Annual Energy Savings:	50,000 kWh
Annual Energy Cost Savings:	\$2,338
Wattsmart Incentive:	\$8,500

Energy-saving improvement recommendations

- ✓ ENERGY STAR® appliances
- ✓ High-performance windows
- ✓ Energy-efficient lighting systems
- ✓ High-efficiency HVAC systems and equipment

Maximize your incentive

The earlier your project team engages with the program, the greater the opportunity to identify energy-saving measures and earn available incentives.

Program participation can begin as early as schematic design and up to 6 months after receiving a Certificate of Occupancy.

Real customer feedback

What has participating in the program meant to you and your business?

“Participating in this program meant a lot to this project. A lot of additional capital was needed to bring this project online, so the incentives we received came at a very opportunistic time when additional funds were needed to close out the project. Mike and his team were great to work with and made the process very simple and painless.”
- Justin Kimball, President at Kimball Investment Co.
